

RR Donnelley's Wetmore Plant offers web, sheet-fed, digital print production and a complete in-house bindery that features saddle-stitching and PUR perfect binding.

### The RR Donnelley Network

This facility is part of a complete, integrated network of RR Donnelley facilities across North America. A single customer team is your conduit to end-to-end web, sheetfed, and digital production, plus complete warehousing and fulfillment.

RR Donnelley (NASDAQ: RRD) is a global provider of integrated communications. Founded more than 145 years ago, the company works collaboratively with more than 60,000 customers worldwide to develop custom communications solutions that reduce costs, enhance ROI and ensure compliance.
